

2024 ART FESTIVAL DONATION REQUEST

First and foremost, thank you for your time and interest to learn about our organization.

Las Damas is a nonprofit volunteer community service organization of women based in Sunset Beach and its surrounding areas, including Huntington Beach, Surfside and Seal Beach.

Our mission is to provide contributions to aid in accomplishing the social, cultural, educational and charitable needs of our local community.

Las Damas was started in 1948 by a group of young women interested in promoting education and social activities. One of their first projects was the Beachcombers Carnival, which was the forerunner of our current day Art Festival. The money they raised from the carnival was donated to a community fund, which was used to purchase the lot on which the Sunset Beach Fire Station and the Community Center stand today.

Today, Las Damas focuses namely on art and education. We aim to help enrich and encourage creativity by supporting the art programs that are much needed within the community. We also support students and adults that are interested in pursuing a higher education. That's why our annual fundraising provides scholarships and funding to eight local schools and five charities.

Our biggest fundraising event of the year is our Art Festival. As we enter into our 56th year we are proud to be recognized as one of the most successful fundraisers in Orange County. Our family-friendly weekend event draws over 15,000 people seeking high-quality hand-made treasures. The Art Festival would not happen without the support from our donors and sponsors. This is why we are humbly requesting support and generous contributions towards our cause.

Thank you again for your interest in Las Damas and we look forward to you joining our Festival Family!
